1. Login at https://pixoroo.com/public/account/login using the credentials you have already registered with.

2. If you need to adjust your settings (Name, Capitalisation, Distinctions) you can do this any time by visiting the My Account profile when you have logged in. Note the BPS Competition cannot correct this on your behalf, you are in control of your own account.

3. To enter the competition click on the Club Entrant profile.

4. You will now see the list of forthcoming competitions. These will only be visible from the date the competition opens for entries. Note you should only be able to see the competitions which are applicable to your class (Novice/Open).

Also note that the colour and mono sections are shown as separate competitions with the same dates.
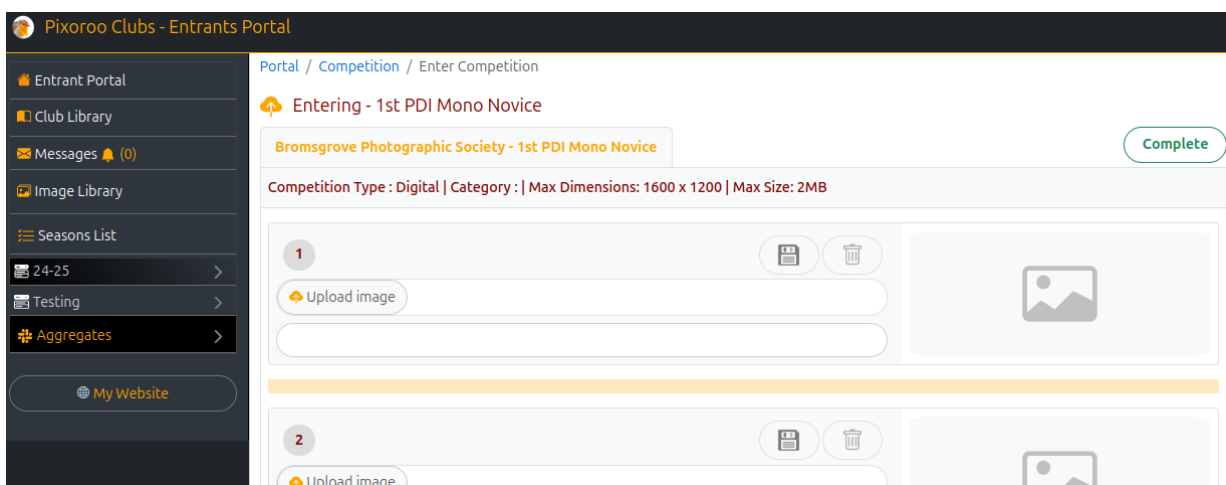

5. Click on the competition you wish to enter. You will then be presented with a summary of the competition and any competition rules which you need to accept. In the absence of any specific rules defined for the competition, the standard BPS rules as defined on the society website will apply.

6. Once you have selected the toggle to Accept you can then click on Upload/Edit Entries.
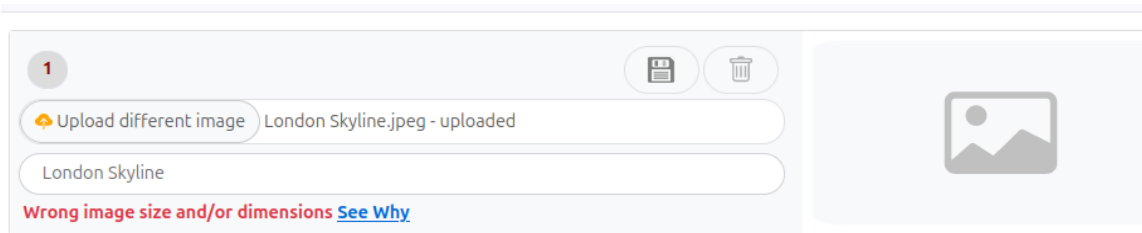

7. You will now be presented with the page to upload your entries. Note the images must have maximum dimensions of 1600 x 1200 and have a maximum size of 2MB to be accepted.

It will not enforce sRGB colour space, but for optimum performance when displayed it is recommended that you ensure that your images use sRGB as we needed to do before for PhotEntry.

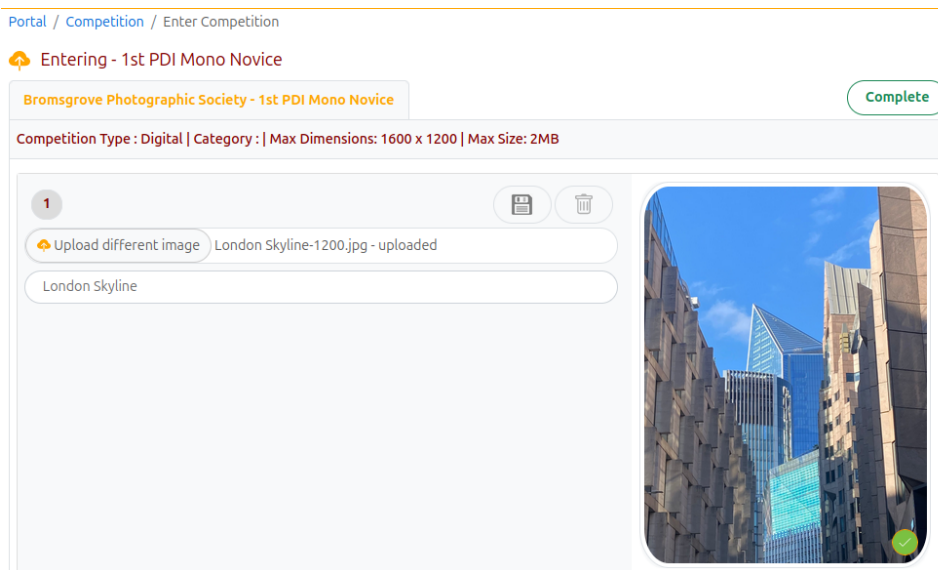

8. Click on Upload Image and select the image you would like to upload.

9. If the image does not meet the requirements, you will see a warning as below. Click on See why to get some explanatory notes. Once you have corrected the image, retry uploading.

10. An successful Upload will will give confirmation as follows. The Image title will be extracted form the file name, you may need to adjust this to match the name of your image as you would like it displayed.

11. Once you have uploaded your entries, then you need to click on Complete.

12. You will now be presented with a confirmation screen, displaying your entries and their names. If you have any issues, you can click on Review to return to the previous screen. Once you have confirmed these are correct, you can click on Confirm to submit your entries.
